

City of Seattle

Mayor Edward B. Murray

November 15, 2016

Dear Ms. Wang,

On behalf of the City of Seattle, I would like to thank you for all you do for local youth and our Chinese American community.

Through your leadership at the Confucius Institute of the State of Washington, Chinese culture and language have reached thousands of students across our region. Chinese language programs have been expanded to serve 3,000 students in local districts, and your improvements to immersive learning and student exchange programs have created unique and impactful educational opportunities for our children.

Your ability to collaborate with local partners, including the Seattle School District and non-profit organizations, brings us together to work toward a common goal of education and cultural enrichment. I admire your dedication to expanding opportunities and building bridges for all of us here in Seattle and across Washington.

Thank you for all you do.

Sincerely,

A handwritten signature in blue ink that reads "Edward B. Murray". The signature is fluid and cursive, with a long, sweeping underline.
